ELECTRIC WAFFLE IRONS GES 40 (CONES)

Code 2230.310

This waffle machines is fitted with highly conductive cast iron plates for a perfect cooking of your waffles. They enable you to obtain crispy and golden waffles. The upper plates are articulated, the armoured heating elements distribute heat evenly on all cooking surfaces and ensure a quick temperature rising (300°C). Control lights. Adjustable feet. The cooking of waffles is made at approximately 220°C for about 2'30 minutes according to the type of dough. The regulation of the temperature is made with the thermostat.
